External Impact Evaluation Findings - Dignitas Schools

*"It's about teaching smart, not hard. Teaching is now fun. it is enjoyable since my relationship with students is better."  
(Dignitas School Leader)*

Students taught by Dignitas-trained teachers outscore their peers in non-Dignitas classrooms. Comparison using pre- and post-assessments found that students in Dignitas classrooms showed a 44% increase in academic growth during a lesson, whilst students in non-Dignitas classrooms experienced a 15% increase.
